Re: 167-11851  
First Administrative Amendment to  
Part 70 167-7353-00091

Dear Mr. Payonk:

Wabash River Energy Ltd. (formerly known as Gasification Services, Inc.) was issued a permit on December 31, 1998 for a stationary coal gasification system rated at 367,000 pounds of syngas produced per hour including gasification, high and low temperature heat recovery, sour waste treatment, oxygen unit, and a flare. A letter requesting the name change from Gasification Services, Inc., to Wabash River Energy Ltd., was received on January 5, 2000. Pursuant to the provisions of 2-7-11 the permit is hereby administratively amended as follows:

An ownership and name change only to the facility known as Gasification Services, Inc. The plant is now a wholly owned subsidiary of Global Energy Inc. and will henceforth be know as Wabash River Energy Ltd.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Mr. Darren Woodward, at (812) 462-3433, extension 15.

Sincerely,

George M. Needham  
Director  
Vigo County Air Pollution Control
